

**INVITES YOU TO JOIN US AT OUR  
SOUTHEASTERN REGION NETWORKING  
MAY 5, 2015 4:30-6:00 PM**

Southeastern PA includes the counties of:  
Bucks, Chester, Delaware, Montgomery and Philadelphia

**Topic: Student Learning Objectives**

Now that we have been implementing Student Learning Objectives in Pennsylvania, it is the perfect time to reflect upon the decisions made for initial implementation. Join this Learning Forward PA networking session to share and discuss your initial implementation, and reflect upon what you might do moving forward. A district representative from Owen J. Roberts SD, Methacton SD and Downingtown SD will share their progress and reflections. In addition, Learning Forward members will share resources for professional learning related to SLOs to use in your educational setting.

Come join us to hear how others are doing to expand your options on how to best move forward with SLOs. The primary purpose of this networking is discussion and sharing. Light snacks will be available.

**Location:**

Chester County Intermediate Unit  
455 Boot Road, Downingtown, PA 19335

Directions:
