

The professional learning organization
in Pennsylvania

IN PARTNERSHIP WITH

SLO Networking Session

This FREE session is an opportunity for teachers, administrators, curriculum leaders, and others to:

- LEARN how Student Learning Objectives (SLOs) are being implemented in other area buildings/districts
- SHARE ideas and strategies
- CONNECT with colleagues on this challenging aspect of Pennsylvania's educator evaluation system (Act 82).

Participants will also receive FREE access to an online library of SLO resources, including training materials, sample SLOs, implementation timelines, and PDE resources. Topics for discussion will be selected based on registrants' needs and interests, which will be gathered via our online registration form. Refreshments will also be served and free parking available. Join us!
